****E-01345A-05-0816****

Customer called because she had heard a report on National Public Radio that stated APS had earned a 320% profit over the past year. She is opposed to any more rate increases for APS. She stated that when the Palo Verde reactors were down there were no AZ brownouts. She stated that she and others like her are tired of paying for Californians who are receiving electricity from AZ.

She also stated that she was going to contact Brian McNeil.

End of Complaint

Utilities' Response:**Investigator's Comments and Disposition:**

I advised caller that I would enter her comments for the record and with the Docket in this matter. I also provided caller the Docket No. for this matter in case she wanted to make further contact with the Commission. Customer thanked me for the information and for listening to her.
